PROFESSIONAL EXPERIENCE

Coordinator, Summit County (Ohio) Recovery Project (1996 - present).

- Oversee various initiatives to assist persons with psychiatric disabilities to integrate into the general community.
- Conduct weekly group meetings for persons in recovery from serious mental illness.
- Facilitate(d) establishment, development, and ongoing activities of the area's non-profit 501(c)3 consumer advocacy organization.
- Secured funding and coordinated development and ongoing operations of an educational/media resource center for the local mental health community.

Director of Psychology, Western Reserve Psychiatric Hospital, Northfield, OH (1980 -1995).

- Responsible for delivery of quality psychological rehabilitative treatment and assessment services for 300 – 800 seriously mentally ill patients.
- Increased the psychology staff from seven to twenty-five professionals. Most had doctorates and were Medical Staff members and Medicaid Part B providers.
- Initiated a program wherein all patients received initial, and frequent, regular assessments, which then became the basis for all subsequent treatment planning.
- Expanded delivery of group, individual, and family treatment modalities.
- Initiated specialized services such as neuro-assessment, Spanish language therapy groups, computer-based training, an award winning behavioral monitoring system and capacity assessment services.
- Supervised numerous research projects.
- Upgraded staff training and quality assurance/improvement programs.
- Began a patient-run newsletter.
- Served on temporary assignment as clinical director of an assertive community treatment team.

Assistant Forensic Services Director. Western Reserve Psychiatric Habilitation Center, Northfield, OH. (1976 -1980)

PROFESSIONAL EXPERIENCE, Continued

- Hired, trained, and supervised staff of 75 in assessing and treating forensic and other violent patients on three psychiatric wards.
- Directed forensic psychophysiology laboratory.

Assistant Director (Program Development). Mental Health Center, Athens, OH (1976).

- Constructed planning grant application for a community mental health center for three rural counties in Ohio.

Assistant to the Superintendent, Junction City (Ohio) Treatment Center (1975 - 1976).

- Assisted in overall operation of 113 bed facility for mentally disturbed offenders.
- Produced policy statements, directives.
- Reshaped organizational structure.
- Coordinated staff development, public relations, and research.

Coordinator of Psychological Services, Junction City Treatment Center (1973).

- Designed and implemented behavior modification system for all residents.
- Recruited and directed services of psychologists. Delivered psychological services and wrote psychological reports.

Staff Psychologist, Treatment and Research Center, Ohio Division of Forensic Psychiatry (1968 -1971).

- Administered psychological tests and prepared pre-parole evaluations.
- Finalized statistical work on the Leiter Recidivism Scale (Chicago: C.H. Stoelting, 1974) and other psychological instruments.

U.S. Marine Corps. Platoon Leader, Combat Engineering Officer, and Security Officer (1962-1966).

- Officer at military bases in Virginia, North Carolina, Okinawa, Japan, Florida and Maryland.
- Attained rank of Captain.

Education
